Warranty Disclaimer

Thank you for your interest in products from Parsec Technologies. Our Limited Warranty applies to physical goods, and only for physical goods purchased from Parsec Technologies or one of our authorized resellers.

This Limited Warranty covers any defects in material or workmanship under normal use during the Warranty Period. It does not include material that may discolor over time.

During the Warranty Period, Parsec Technologies will repair or replace, at no charge, products or sub-components of a product that prove to be defective because of material or workmanship, under normal use and maintenance.

The Warranty Period for Antennas purchased from Parsec Technologies is 36 months from the date of purchase and 12 months for Case Antennas. A replacement part assumes the remaining warranty of the original physical good.

The Limited Warranty does not cover any problem caused by neglect, out of specific operating conditions, unrelated equipment malfunctions or damage not resultant from defects in material or workmanship, including improper installation.

Please contact Parsec Technologies at 972-804-4600 to determine if your product meets our warranty prerequisites.
